

Career Planning Services

Resources are available starting in the first year to assist students with exploring career interests, creating career documents, seeking internships, and growing personal professional networks. Office staff offer one-on-one sessions, workshops, seminars, and for-credit courses to work on résumé/cover letter writing, job search, interview preparation, career planning, graduate school applications, and professional communication.

Career Courses include: CAR 051 Choosing Maj&Careers-No Credit, CAR 101 Choosing Majors and Careers, CAR 201 Navigating Internships, and CAR 301 Navigating College to Career.
