## Belonging and Mattering Statement

### *Love in Action*

With Christian Science as our foundation, we view every member of the Principia community as the unlimited image and likeness of God (Gen. 1:26). We seek to elevate humanity by fostering, nurturing, and inspiring individual and collective spiritual growth.

Diversity in perspectives, experiences, and how people uniquely express themselves strengthens our community. Principia strives to provide its community members with equitable access to all opportunities and resources. We support and respect individual healthcare choices without judgment.

We commit to respectful engagement with one another and will work to remove prejudice and misunderstanding. We are a community based on prayer, integrity, respect, trust, and love. Together, we foster and sustain inclusive learning, living, and working environments where everyone feels they belong and are valued.
